Casagrande C-50

Hydraulic Crawler Crane

Crane is designed for:

- excavation of diaphragm wall panels up to 40 m in gravel, clay, sand

TECHNICAL DATA:

Year of manufacture: 1990

Crane is automotive, on crawlers.

THE UNIT CONSISTS OF:

Hydraulic grab C-50
Hydraulic paws B-18
Casing oscillator with casing
Set of drilling accessories

BOREHOLE DIMENSIONS:

Maximal depth: 40 m

Drilling diameter: 600,800,1000 x 2500 mm

TRANSPORT DIMENSIONS:

Length: 6675 mm

Width: 3260 mm

Height: 3250 mm

Weight: 48650 kg

ENGINE:

Manufacturer: MERCEDES

Type:0M442A(diesel)

Power installed: 256 kW (348 HP) at 1800 rpm
