

Lumesa Sa SIG Mounty 2000/90LL (7 Units)

Lumesa is designed for:
- drilling small diameter shallow holes

TECHNICAL DATA:

Year of manufacture: 2003
Air powered people portable drilling unit

DRILLING CAPABILITIES:

Drilling up to 20 m
Drilling ϕ 30 mm up to 50 mm with standard drill
Down the hole hammer drilling:
- 64 mm up to 165 mm
- with casing ϕ 133 mm up to 143 mm Feed force 7 kN
Gross torque 900 Nm
Telescop backstay 2,2 - 3,6 m

THE UNIT CONSISTS OF:

Control unit with lubricator and hoses
Chain feed, fixing plate, combi guide
Rotary head
Telescop backstay mast
Weight: 163 kg
