

NATIONAL 2

Drilling Workover Rig

Drilling rig is designed for:
- drilling water wells, oil wells and all relevant operations
Rig is designed for:
Year of manufacture: 1985.
Drilling rig mounted on truck NATIONAL

CARRIER:

Cardwell KB 210 B

BOREHOLE DIMENSIONS:

Maximal depth: 1500 m
Drilling diameter: 193,68/457,2 mm (7,63/18")

TRANSPORT DIMENSIONS:

Length: 17900 mm
Width: 2850 mm
Height: 4180 mm
Weight: 38650 kg

MAST:

National 96/150
Total height: 29,3 m
Max capacity: 65t

ENGINE:

Manufacturer: DETROIT DIESEL
Type: 8 V-71
Power installed: 235 kW (320 HP)

WELL PUMPS/ENGINES:

National JWS 400 - 2 units / Detroit Diesel 12VA - 2 units AC
POWER GENERATORS
Type: Rade Končar 2SCS 1002-6, 750 kW, 2 spare
generators Uljanik

AC POWER ENGINES:

Manufacturer: Caterpillar 398; GM V12; GM L6
