

Voyager 1000 (5 Units)

Portable Drilling Rig

Voyager is designed for:
drilling small diameter shallow holes

TECHNICAL DATA:

Year of manufacture: 1999,2003
Air powered people portable drilling unit

DRILLING CAPABILITIES:

Drilling up to 20 m
Drilling with air hammer 3"
Gross torque: 611 Nm
Mast unit: 2,0 m

THE UNIT CONSISTS OF:

Control unit with lubricator and hoses
Chain feed, fixing plate, combi guide
Rotary head
Dust deflektor
Mast unit
Weight: 148 kg
